DEDICATION

Each year it becomes a privilege and an honor for an annual staff to dedicate its publication to some person, who has extended great effort and success to the school and to the forthcoming yearbook edition.

This year, the staff has chosen Mr. William M. Smith, our commercial teacher and yearbook advisor, to receive this signal honor of "Dedication."

Mr. Smith, who is now serving his second year in the Risingsun School Commercial Dept., has been a tireless, capable guide to us, as we have worked from day to day. We, without reservation, feel that he has earned this recognition.

During his teaching here, he has developed an outstanding interest in the affairs of the Risingsun School and community, with no activity too large or small, for him to be a part-- "You can always depend on the presence and help of Mr. Smith" "he'll be there."

With his interest in athletics, dramatics, journalism and music to be great, he has made the students feel that their interests are his interests.

May we congratulate Mr. Smith in this Dedication role and may we wish him extended and pronounced success as he continues to work in his chosen profession.

EDITORIAL

Another year at R.H.S. has come and gone. We, of the annual staff, have tried to make this book a way of helping you relive the events of the past year. Through new pictures and new literature, we have attempted to give you an interesting outline of the past year's work. Sports, dramatics, and music have added to the pleasure of this year, while our studies have contributed to the more serious side.

We sincerely hope we have made this annual as interesting as the annuals of the past have been. May many happy moments be yours in years to come as you once again look through the following pages of this book.

As Editor, I wish to thank Mr. Smith, our commercial teacher, the staff, teachers, all friends, patrons, and students, who in any way helped to make the RISING HI a success.

We hope that you will always keep this book close at hand so that you can look at it and recall your days at Risingsun.

THE SENIOR CLASS PROPHECY

This is W. F. Stevens bringing you the 22th annual Rising-sun vs. Bloomingdale Homecoming (cider jug) football game. As I look here and there I see many Alumni attending this game. Many of them are members of the class of 51. I suppose you all remember Norman Bassett who is now the Superintendent of RHS. He is the cause of some of the changes in the school, such as cushioned seats, no teachers, no books, papers or pencils, very few classes, popular movies, and refreshments. We'll call Supt. Bassett to the press box and ask him about some of the members of his class.

Here's Norman now. Could you tell us what has happened to your classmates in the last 20 years that have passed since your graduation?

Well, in the box seat at the 50 yard line I see Doyle Phillips who is now head of his own business the "Pick Your Own Corporation." He collects pencil shavings and grinds them into tooth picks.

The man and woman setting next to Doyle is Kenny Cline and Delcie Stahl who are now married. Kenny and Delcie are now running a super garage. Kenny taught Delcie how to grease cars, she's such an expert that he is now in the kitchen doing dishes, cooking, washing, ironing, etc.

Betty Green had always dreamed of fame and fortune on the screen. Her big chance was realized when a talent scout came to the Senior Class Play and soon arranged a screen test. To her great joy, she was signed with MGM soon after and is now famous for her performances.

Mary Phillips, whose daughter is now enrolled in our school, is now a lady wrestler she is currently known as Girl Wonder or Nature Girl. Her last bout was with a wild baboon. She won it by a technical knockout.

The lady in the far left hand corner of the stadium is Mary Keller who soon after graduation became a reader of the crystal ball. Her nickname is "Keller the Teller." She is very famous, the world over, for all of her predictions, as she has only missed one in the last 20 years,

The fat lady sitting on the bench near the sidelines is Margrete Stump who decided that family life just wasn't for her, so she gained 300 pounds and is now the fat lady with the Ringling Brothers Circus.

SENIOR CLASS PROPHECY (continued)

The man next to her is Edward Onsel. Do you remember how he used to have such a time talking his dad out of the car? Well anyway, in time he became a famous orator, famous the world over. He is now known as "The Man With The Swivel Tongue."

We do a lot of business with Madonna Utz as she is a sling shot designer. She makes sling shots exclusively for school purposes. So I see quite a lot of her.

There is Barbara Lehmann who is now a bouncer for a very respectable niteclub in Florida. This all occurred after taking lessons at Lois Stahl's "Build Your Muscles Training School."

Helen Sebring decided to become an inventor. Her first experiment was feeding chickens sawdust to see what would happen. THE RESULT: Wooden eggs!

Donald Dieter is now President of the Blowhard Bubble Gum Factory. He has a new recipe. It is $3/4$ rubber, $1/4$ glue. His slogan is "Good to The Last Pop."

Mina Mae Shaw is now head cook at the Risingsun College. Her reason for doing this was that she had so many at home to cook for that she decided a few more wouldn't hurt.

Jeane Smith decided she would become a famous athlete. She became the first woman baseball player for the Cleveland Indians. She is now their star pitcher. Out of 102 men up to bat she has struck out 101. The other one she knocked out with one of her careless curve balls.

Eddie Collins is now a famous lawyer. In his last case he won acquittal for a man with no arms who was accused of being a pickpocket.

Ethel Stahl now works for a concern which makes toupees. She is in charge of taking customer's measurements. It seems this is the soft job she has been looking for.

Dale Graber is now Warden at the State Prison. The reason he got this job was evident. The governor figured he deserved the job because he had been there longer than anyone else. You know Dale always did like to do things for people. Some of his friends wanted furs, diamonds, etc. Dale couldn't afford them, but he got them!

SENIOR HISTORY

In September of 1947 we were initiated into high school by the Class of '50. It was our first major activity in high school and we made quite a spectacle. We did well as a class that first year. Helen Sebring was elected, by the high school, as an attendant to the Queen at our Homecoming Football Game.

Our Sophomore year brought the chance we had been waiting for. We initiated the Class of '52 into high school in a blaze of glory and thus obtained revenge. This year Jeane Smith was chosen as our attendant to the Football Queen.

As Juniors we found our duties increasing. In the fall of this year we received our class rings, and on October 4, 1949 we staged our Junior Class Play "Ask Me Another" under the direction of Miss Pletcher. Our Jr.-Sr. Banquet, was held on March 31, 1950 at the Toledo YMCA, after which we saw the Skating Vanities of '50 at the Sports Arena. Margrete Stump was chosen as FFA Queen, and Barbara Lehmann received the honor of being elected as the Homecoming Football Queen. Mary Phillips went to Buckeye Girls State, and Edward Onsel went to Buckeye Boys State. Mary Phillips was also chosen as Assistant Editor of the annual by the class of '50, Betty Green was also a state delegate to the National FHA Convention held in Kansas City, Missouri.

In our Senior Year we enjoyed the prestige and respect of upperclassmen, though we realized it was our last year at RHS. Ethel Stahl was elected as Homecoming Queen for the Second Annual Cider Jug Football Game with Bloomingdale, this made us very proud because this is the second year the Queen was elected from our class. We were guests of honor at the Jr.-Sr. Banquet at the YMCA in Toledo, on April 14, 1951, after which we journeyed to the Sports Arena to see Guy Lombardo. We also presented our Senior Class Play "Wake Up And Grow", on April 27, 1951, under the direction of William Smith. On our skip day we went on an educational excursion.

Of the nineteen members of the Class of '51, three girls were FHA members, three boys were FFA members, two girls were cheerleaders, one girl was a majorette, three were members of the band, four boys earned football letters, five earned letters in basketball, and four boys played baseball. The captains of the football and basketball teams were both Seniors, also. Our Baccalaureate was on May 13 and our Commencement Exercises took place on May 15. Directly after this we left on a four day trip to our Nation's Capital. Thus we concluded our happy, busy days at RHS.

SENIOR CLASS WILL

We, the departing Senior Class of 1951, being of sound body and sane mind??? do hereby decree this to be our last will and testament.

To the janitor, we will all fly swatters, which you will find in our desks.
To the faculty, we will all the assignments you have given us in the past 12 years to use on the lowerclassmen.

To the Sophomore Class we will our ability to show much activity and industry while doing nothing.
To the Freshmen Class we will the fun and troubles we have had in our 4 years of high school.
To the Eighth Grade we will 4 of the happiest years of high school.
To the Seventh Grade we will the teachers which we leave behind.
To the Basketball Team of 1951-52 we will our part in the highly successful season of 1950-51. (3 won, 14 lost)

JUNIORS

JUNIOR CLASS HISTORY

We returned to school, after our summer vacation, to start our Junior year with the same familiar faces as before.

Our first thought was our class rings, which we received shortly after school began.

With Harold Purkey as president, Donna Lehmann- V. pres., June Gorrill-treasurer, Harry Kemenah-sec.y, Donna Lehmann and Donald Norman, student council, Naomi Bateson, new reporter, and Coach Gladieux as our sponsor we started off with a big fish fry, in which we made a good profit, but soon afterwards we had to start planning for the Junior-Senior Banquet. It was decided that it should be held April 14, 1951 and afterwards we would take the seniors to the Sports Arena for a real treat with Guy Lombardo.

Donna Lehmann was chosen as one of the attractive attendants for the football queen this year.

Both Donna and Naomi Bateson were chosen as cheerleaders. This is the first year for both of the girls.

As most of our boys were active in sports, Harry Kemenah was honorable mention as an all county football player.

With this year just about over we have already been looking into the future.

FRESHMEN

FRESHMEN CLASS HISTORY

We entered High School with thirty curious Freshmen. We found High School full of activities and worth working for.

On September twenty-ninth we took the bitter with the sweet. We received our upper classmen's medicine and became full-fledged Freshmen.

Miss Pletcher became our class sponsor. We lost one student, Nada Scovill, who moved from this vicinity during the year.

Our class-mates are interested in various activities such as dramatics, football, basketball, baseball, glee club, and band. Phylliss Patton was chosen as the Freshman attendant for the Football Queen. John James played on the Varsity Basketball Team.

When we started our school term of 1950-51, we were anxious and ready to be in a new year of many activities and much fun. We would be upstairs which would be all together different than what we had been used to.

We elected our officers who are: President; Jim Seyer, Vice President; Bernard Lehmann, Secretary; Imogene Purkey, Treasurer; John Womeldorf, and Student Council; Mary Hemminger.

Our President moved away then in March, leaving thirty-one left in our class.

Mr. Chadwick started as our Class Advisor, but he left us the last of March to help Uncle Sam. He was our music teacher and band director.

Eighth Grade History

We eighth graders have had a very successful year. We have tried to carry out all the duties we were supposed to have done.

At the beginning of the year we had our election of officers. They are as following: President; DeWitt Hemminger, Vice President; Walter Phillips, Treasurer; Leo Stiger, Student Council; John Heinsmen, Secretary; Anna Kemenah.

Later we had another election. This was for the Jr. High Queen. There were two girls nominated out of the seventh grade. They were Mary Hemminger and Juanita White. The ones nominated from our Class were Leone Hovis and Anna Kemenah. Mary became our Queen and the rest were attendants.

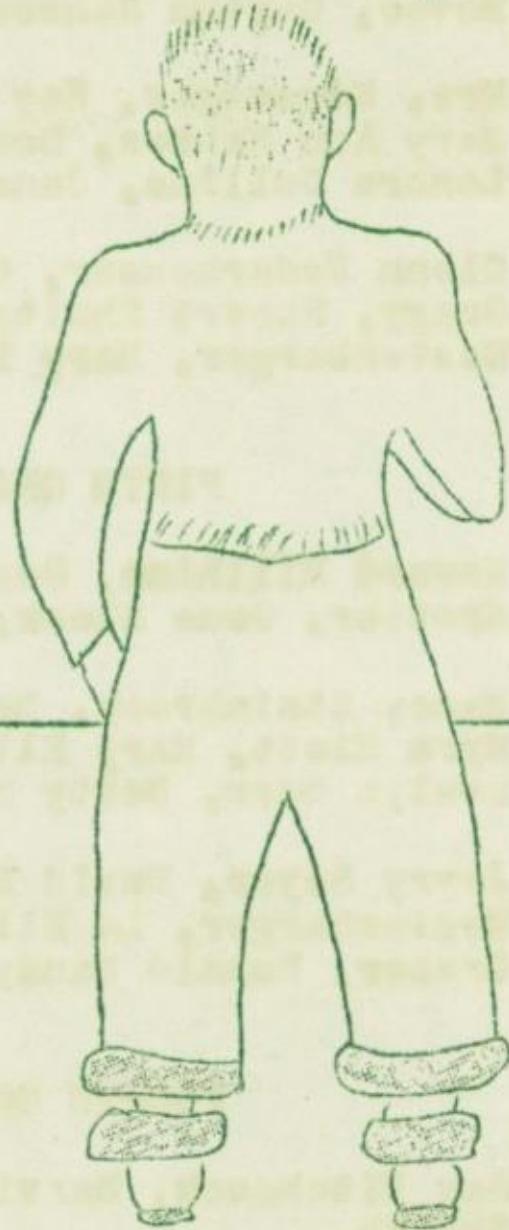

On April 20th in the morning we had a test which every one was looking forward to the beginning of the school year. It was our State Examination Test. Ones rating the highest were DeWitt Hemminger, Walter Phillips, and John Heinsmen.

Now we are looking forward to go into our Freshman year of school.

FOOTBALL

In "1950" in the month of August, the Risingsun Football squad started their practice for the 1950 schedule. Along with Coach Alton Gladieux, twenty-six boys came to practice, looking forward to a successful year as "Fighting Tigers". Of the twenty-six boys, four of them received letters last year and eleven received them this year. Also there are nine freshmen with numerals, with Hershel Strong as our faithful manager. We are proud to report that Kenneth Cline, a senior, was chosen as our Football Captain for "50".

During this season, consisting of nine games, our boys were proud in reporting the win of four out of the nine games. Two of these were eleven man football and three of the games were played under the lights.

One of our keen attractions was the six man preview game with Greensprings played at the new Fostoria Stadium. It was their first appearance in their freshly cleaned uniforms and they looked nice and made us feel proud to say we were from R. H. S.

Probably if you take the Sunday Toledo Blade you noticed the pictures which were taken at the Homecoming game with Bloomdale. The routine being the same as last year; our boys played very hard to keep the Cider Jug in which they won last year, but unfortunately they lost it by a Few Points!

With fine co-operation the boys playing together built up morale and character among themselves. With the team having good sportsmanship two of the boys received Wood Co. Honors. Dale Graber received a position on the Wood County Six Man Football League First Team, and Harry Kemenah received Honorable Mention with these selections.

Seniors to graduate from the Football squad are: Dale Graber, Don Dieter, Doyle Phillips, and Capt. Kenny Cline.

We Seniors, wish all of the remaining Football players a lot of luck and along with wonderful guidance and coaching of Mr. Gladieux. We are sure you will do a fine job of playing in the years to come.

Below is a record of the games our boys have chalked up for us: both wins and losses. It really wouldn't be interesting if the boys won all of the games would it? Practice Makes Perfect.

BASKETBALL

When the Risingsun basketball team is mentioned, one immediately thinks of the all-round team play in good sportsmanship which was so superbly shown by our basketball team this year.

Risingsun village has become a real basketball center and the town takes genuine pride in giving our school a real lift.

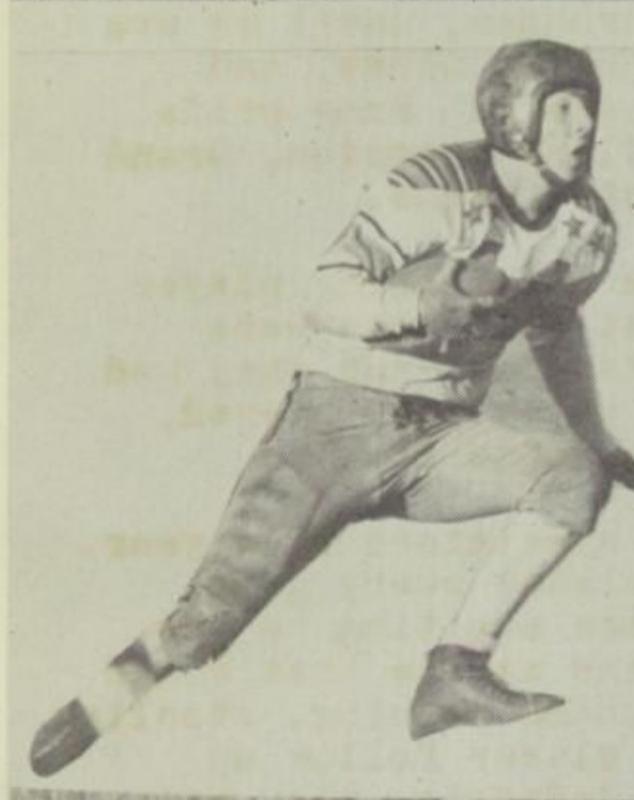

Each year our schedule gets a little stronger, until we are playing such strong teams, as Wood County Champs, Olney, and District Competitors, Lake, Luckey, and Bloomdale. Some pride must be taken in the fact that the State B Class Champion, Grand Rapids, is a member of the Western Wood County League.

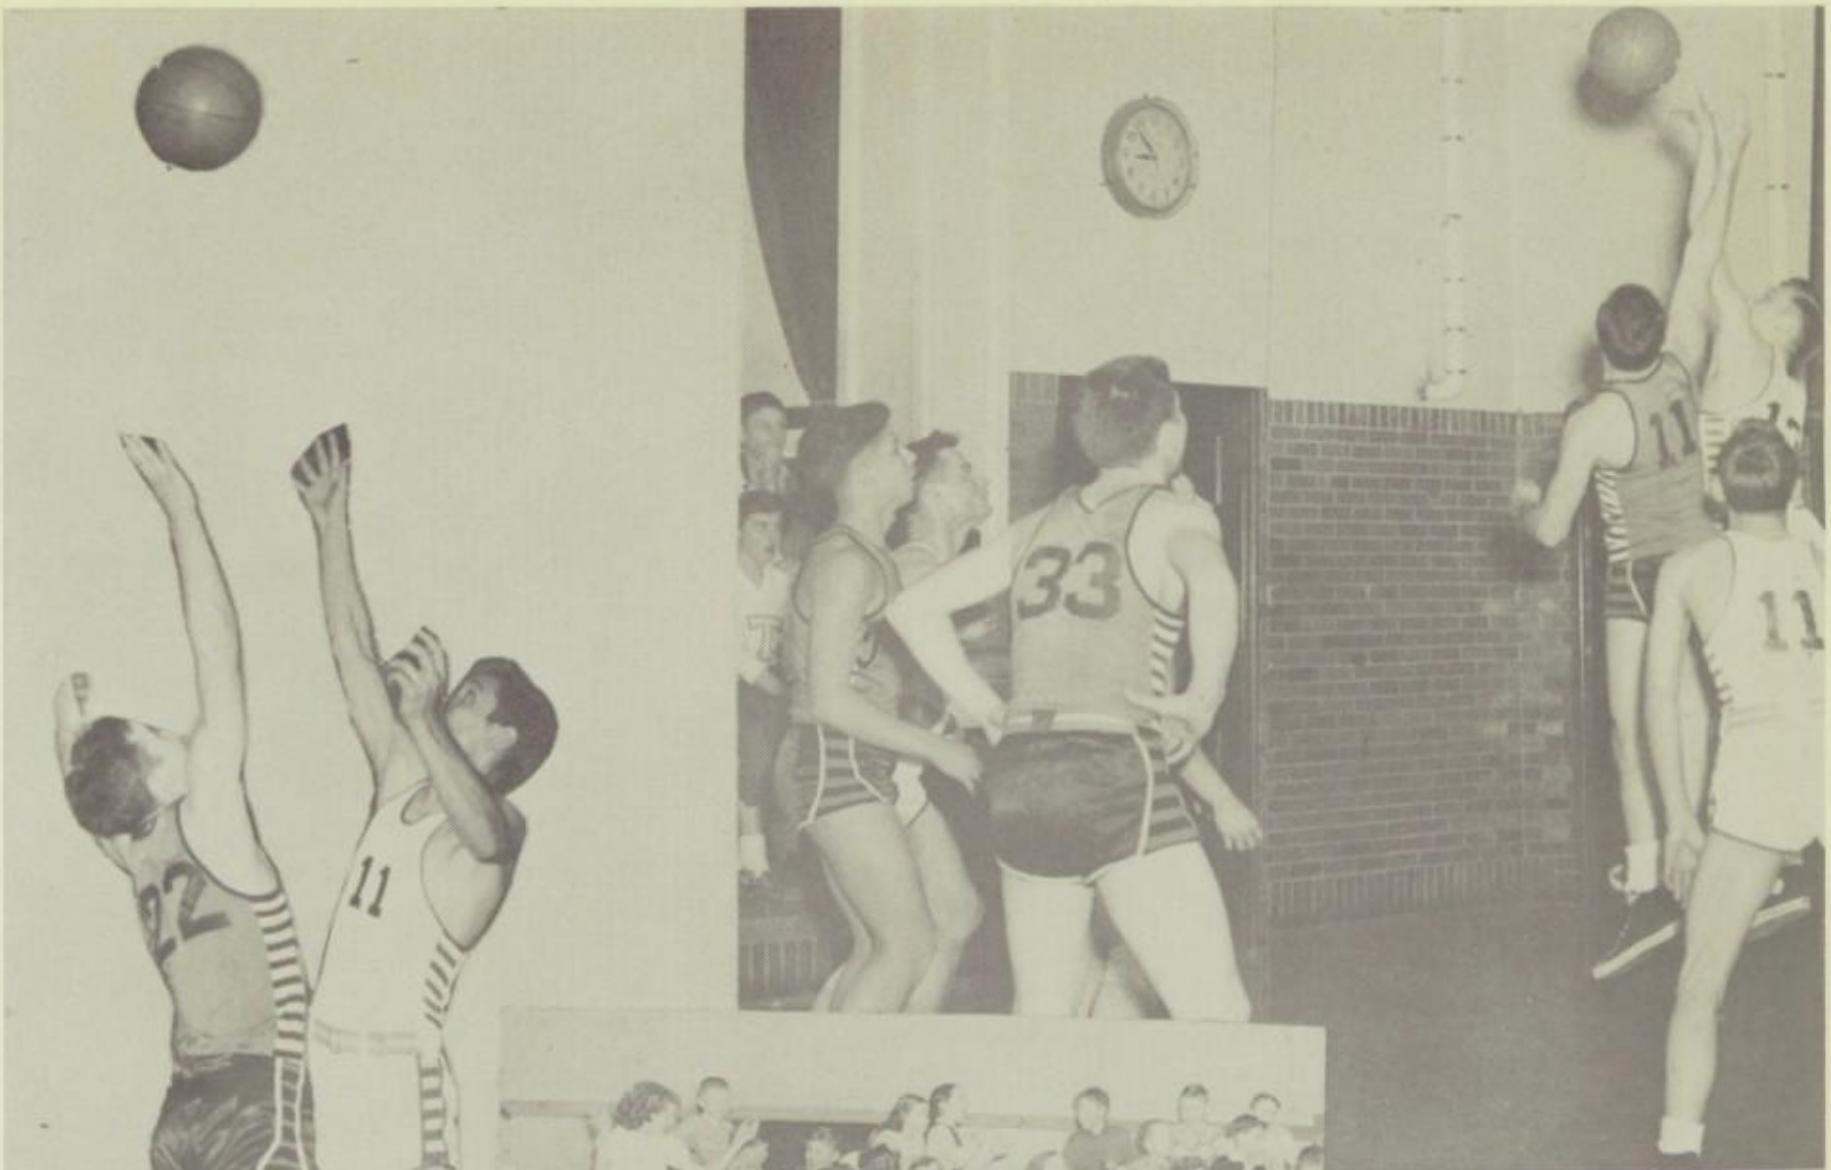

It would be a difficult task to pick an outstanding player or game from the 1950-51 schedule, for almost all games were packed with thrills. All players were outstanding, and they had to be, to stand up under the tough schedule which they played, for everyone of the sixteen teams was a formidable foe.

We will all remember the spirit of the spectators this year. The Gymnasium seemed packed to capacity at almost every game, and the noisy crowd made the game all the more exciting to the Tiger fans. We will always remember this team as one that could almost do the impossible: circus shots, backhand passing, stealing the ball, accurate tipping, blocking shots, clever follow up play as well as fine shooting. Passing and defensive play were regular features of every game.

We remember Dale Graber's breaking away from the opponents to streak down the floor and take a long pass and score..... Norman Bassett's sinking long shots from near the center line..John James' running circles around the defense and dribbling past the whole opposing team to score.....Ed Onsel's fine pivot work under the basket.....William Gangwer's burly aggressiveness.....and such fine relief players as Don Norman, Everett Brewer, Harry Kemenah, Don Dieter, and Doyle Phillips.

All these things combined, coach, cheerleaders, and players led to a successful season.
